INDUSTRIAL

#RAW
#BRICKS

Soft lines, playful curves and comfort? Certainly not. The industrial range is dominated by hard and functional elements. Raw metal parts are turned into luminaires and spread the rough style of factory halls. The Industrial Look celebrates the aesthetic of things imperfect.

Weiche Linien, verspielte Rundungen und Gemütlichkeit? Mitnichten. Im Industrial Sortiment dominieren harte und funktionelle Elemente. Rohe Metallteile werden zu Leuchten verarbeitet und verbreiten den groben Stil von Fabrikhallen. Der Industrial Look zelebriert die Ästhetik des Imperfekten.

Des lignes tendres, des arrondis enjoués et de la convivialité ? En aucun cas. Des éléments durs et fonctionnels dominent la gamme industrielle. Des pièces métalliques brutes sont usinées pour devenir des luminaires et diffusent le style franc d'usines. Le look industriel symbolise l'esthétique de l'imperfection.

#COSY
#CLEAR

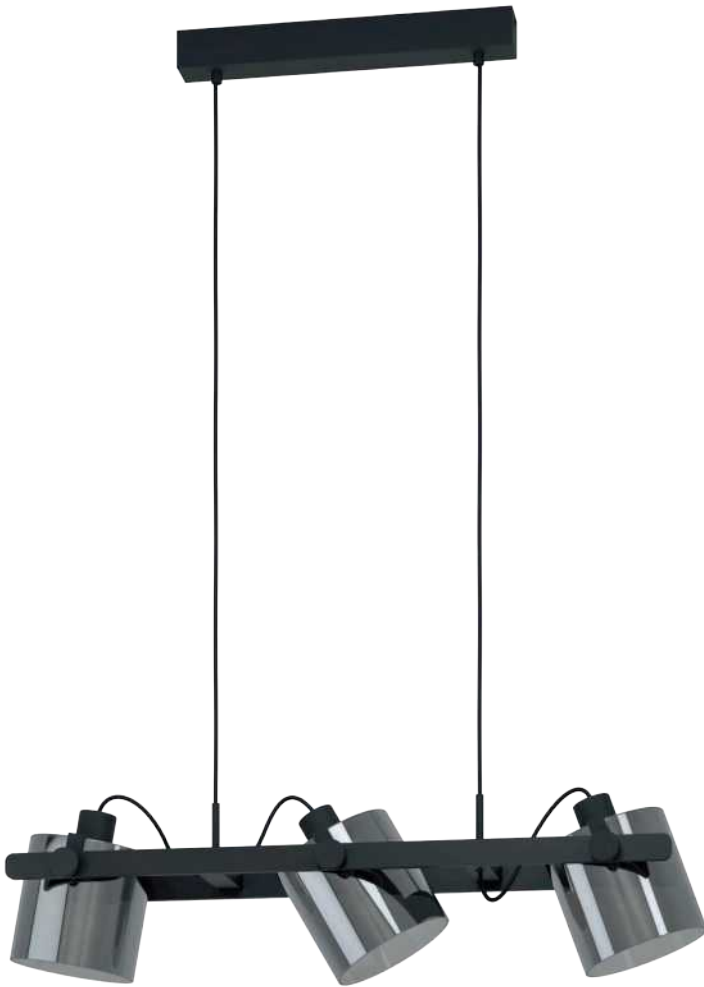

Separate rooms and designated spaces for working, eating and leisure are a thing of the past. Free spirits need open spaces. The loft design imparts a sense of freedom and tranquillity, and the minimalist furnishings and accessories ensure your space still feels cosy and liveable. Simple yet sophisticated. Clean lines and dark surfaces offset by brighter accents are the main features of the loft aesthetic. Recreate this chic look in your own home with EGLO.

Die Zeiten in denen Wohnen, Essen und Arbeiten in getrennten Räumen stattfanden, sind vorbei. Freigeister brauchen Freiräume, um sich wohl zu fühlen. Der Loft-Look steht für Freiheit und Gelassenheit, welcher durch minimalistische Möbel und Accessoires trotzdem ein gemütliches Raumgefühl gibt. Einfach und doch raffiniert. Klare Linien, dunkle Oberflächen, kontrastiert von hellen Akzenten sind die Hauptmerkmale des Loft-Looks und mit EGLO holen Sie sich diesen Loft-Charm ganz einfach nach Hause.

Finie l'époque où l'on vivait, mangeait et travaillait dans des pièces distinctes ! Les esprits libres ont besoin d'espace pour se sentir bien. Le style loft est synonyme de liberté et de sérénité, mais donne néanmoins le sentiment d'un espace chaleureux grâce à un mobilier et à des accessoires minimalistes. Simple, mais sophistiqué. Des lignes épurées avec des surfaces foncées, contrastées par des touches claires, sont les principales caractéristiques du style loft. Appropriiez-vous son élégance dans votre intérieur avec EGLO.

These wall luminaires are easily adjustable using the cable wrap or the adjustable rod. No wall outlet is required for installation, just a socket below the luminaires.

Diese Wandleuchten sind einfach verstellbar mit Hilfe der Wickelung des Kabels bzw. des verstellbaren Stabes. Für die Montage ist kein Wandauslas notwendig, sondern nur eine Steckdose unterhalb der Leuchten.

Ces appliques sont facilement réglables à l'aide de l'enroulement du câble ou de la tige réglable. Pour le montage, il n'est pas nécessaire de prévoir une sortie murale, mais seulement une prise de courant sous le luminaire.

#ROOTS

Japanese interior style is characterized primarily by minimalism, with natural materials and colors. The roots of this trend reach far into the past and are based on long tradition. Craftsmanship has always been appreciated. The popularity of the style led to its combination with other trends, such as Scandinavian design, in recent years. In summary, peaceful simplicity, balance and the natural beauty count.

Der japanische Einrichtungsstil ist vor allem durch Minimalismus, natürliche Materialien und Farben gekennzeichnet. Die Wurzeln dieses Trends reichen weit in die Vergangenheit zurück und beruhen auf einer langen Tradition. Handwerkliches Können wurde schon immer geschätzt. Die Beliebtheit des Stils führte in den letzten Jahren zu seiner Kombination mit anderen Trends, wie dem skandinavischen Design. Zusammenfassend lässt sich sagen, dass friedliche Einfachheit, Ausgewogenheit und die natürliche Schönheit zählen.

Le style d'intérieur japonais se caractérise principalement par le minimalisme, avec des matériaux et des couleurs naturels. Les racines de cette tendance remontent loin dans le passé et reposent sur une longue tradition. Le savoir-faire artisanal a toujours été apprécié. La popularité de ce style a conduit à sa combinaison avec d'autres tendances, comme le design scandinave, ces dernières années. En résumé, la simplicité paisible, l'équilibre et la beauté naturelle comptent.

VINTAGE

#USED #LOOK

Did you know that the word Vintage originally meant „wine harvest“? Vintage style means a piece of furniture built anew but designed in a „used look“. Genuine vintage pieces from the 1920s to 1980s can be found in flea markets or in the attic, by contrast. Genuine or as imitations: Vintage reminds us of the good old days: summer holidays with the grandparents, the first ride in grandpa’s vintage car and the best apple pie from grandma’s enamelled mould. Travel through time, and enjoy feelings of nostalgia with a glass of wine. We recommend accompanying the wine with a taste of our vintage product range.

Wussten Sie, dass das Wort Vintage ursprünglich „Weinlese“ bedeutet? Vom Vintage-Stil spricht man, wenn ein Einrichtungstück neu gebaut, aber im „Used-Look“ design ist. Echte Vintage-Stücke aus den 20er bis 80er-Jahren findet man hingegen auf Flohmärkten oder am Dachboden. Ob echt oder nachgebaut, Vintage erinnert uns an die gute alte Zeit: Sommerferien bei den Großeltern, die erste Fahrt mit Opas Oldtimer und der beste Apfelkuchen aus Omas Emaille-Form. Erleben Sie eine Zeitreise, schwelgen Sie in Nostalgiegefühlen und schenken Sie sich ein Glas Wein ein. Als Weinbegleitung empfehlen wir ein Reinschnuppern in unsere Vintage-Produktserie.

Est-ce que vous saviez que le mot Vintage voulait originellement dire « vendanges » ? Lorsqu’une pièce de décor est fabriquée à neuf, mais qu’elle est conçue dans le « Used-Look » (look usé), l’on parle de style Vintage. Contrairement, des vraies pièces Vintage, des années 20 jusqu’aux années 80, se trouvent soit sur le marché aux puces, soit au grenier. Qu’elles soient réelles ou imitées, Vintage nous rappelle le bon vieux temps : les vacances d’été chez les grands-parents, la première conduite avec la voiture de collection du grand-père et la meilleure tarte aux pommes du moule en émail de la grand-mère. Découvrez un voyage dans le temps, festoyez dans des sentiments nostalgiques et versez-vous un verre de vin. Nous recommandons, comme accompagnement de vin, un reniflement dans notre série de produit Vintage.

Minimalism at its best! The SOCKET series by EGLO comes in a variety of styles: from a discreet brass ring attachment to a gritty industrial finish. The most important thing is to choose the best light source to skilfully present the luminaire in its best light.

Minimalismus pur! So präsentiert sich die SOCKET-Serie von EGLO in verschiedenen Stilen: Ob mit dezentem Messingring oder grober Industrial-Haptik. Wichtig bleibt dabei die Wahl des richtigen Leuchtmittels, um die Fassung gekonnt in Szene zu setzen.

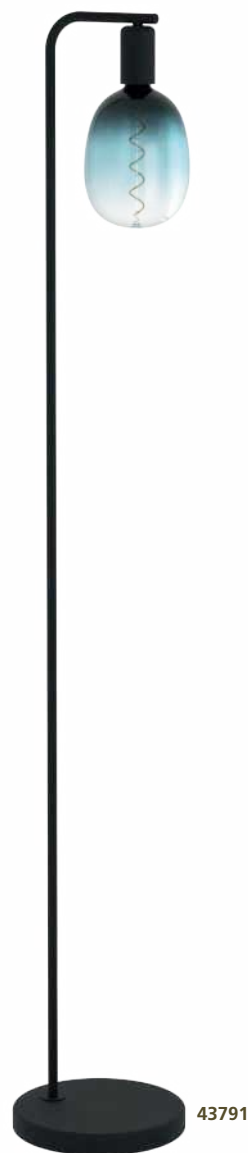

Le minimalisme à l'état pur ! Voici comment se présente la série SOCKET d'EGLO dans différents styles : avec un discret anneau en laiton ou une structure rugueuse à l'esprit industriel. L'essentiel est de bien choisir l'ampoule afin de mettre habilement la douille en valeur.
